The University and Students’ Union see student module feedback as an important means of improving and maximising the effectiveness of courses for both present and future students. The Department of Classics and Ancient History fully endorses this and welcomes the opportunity to gain feedback on the effectiveness of its courses. Comments and suggestions that you make will be discussed at SSLC and staff meetings. We very much value your views!

Please circle the appropriate number as follows:

5 = strongly agree  3 = no strong feelings  1 = strongly disagree

**Assessment:**
Did the module booklet / webpages give you a clear understanding of the objectives and content of the module and the assessment requirements?

5  4  3  2  1

**Teaching:**
Did you find the module intellectually stimulating?

5  4  3  2  1

Did the lecturer present material clearly and thoroughly?

5  4  3  2  1

Was discussion in lectures / seminars stimulating and useful?

5  4  3  2  1

**Learning:**
Did the lectures and seminars enhance my knowledge and understanding?

5  4  3  2  1

How approachable was the lecturer?

5  4  3  2  1

Overall are you happy with your acquisition of knowledge and skills?

5  4  3  2  1

**Resources:**
Have the materials available to me been sufficient for my needs?

5  4  3  2  1

**Feedback:**
Has feedback on assessed work been helpful and constructive?

5  4  3  2  1

**Any other comments?** (please use the back of this form)
