Pose with your banner to show us:

- Where you can find sustainability in action in your community (or not!)
- How you contribute to sustainability in your life
- What inspired your interest in GSD
- Why sustainability is so important to our future
- How you have encouraged others to be sustainable
- Or anything else you can think of…

Once you’ve sent us your picture, re-purpose your banner by:

- Shredding it up for use as hamster bedding
- Cutting it up for beer mats
- Folding it to stop a wobbly table leg
- Using it as a giant bookmark
- Making an original piece of origami to decorate your room
- Other imaginative ideas welcome!
  Send us a photo of how you use your banner.

Take a picture with your banner and share it on our twitter page and facebook group!
