Trinity Global Room

*It is a place where you are not judged by the  
colour of your skin, or your religion, or your  
belief system.*

*You are not judged by your course or your  
country.*

*You are not judged by your sexual orientation or  
finance status.*

*You are not only accepted for all of things but  
**YOU ARE WELCOME!***

*(Anya, Global Room Ambassador 2014-15)*
