Unhealthy Housing

Research, remedies and reform

By R. Burridge and D. Ormandy

Unhealthy Housing presents an analysis of the research into the health implications of housing and the significance for legal regulation of housing conditions. Key experts present short papers, together with an overview to give an evaluation of the significance of housing on the health of occupiers.

Table of Contents

Introduction. Parameters of health and housing research. Understanding the problems of health and housing research - David Mant . Using published data to assess health risks - Colin Thunhurst .
