PLEASE NOTE this is a 2013 reading list—the precise content may change in future years.

Term 1, Week 1
What is IPE?

Questions

- What is IPE?
- What is globalisation? How does it affect the study of IPE?
- Is IPE essentially about states versus markets? Or should we move beyond this dichotomy?
- Why don’t we just use economics or international relations to study the world economy?

Recommended Reading

- Broome, Andre, Chapter 1, 'Introduction to International Political Economy'
- O’Brien and Williams, Introduction and Chapter 1
