Permanent Withdrawal Form

Permanently withdrawing from your studies means that you have decided to stop studying at the University of Warwick and that you have no intention of returning to continue your programme of study in the future. If you are considering withdrawing from your studies you should discuss the matter with your Personal Tutor or other relevant members of staff in your department as soon as possible as there are often alternative options open to you, such as temporary withdrawal. Please see the Guidance Section of this form for further information.

Withdrawing from your studies will have financial and visa implications. Please find contact details for Student Funding, Student Finance and the International Office in the Guidance Section of this form.

Temporary Withdrawal

If you are not sure that you wish to permanently withdraw from the University, temporary withdrawal is an option you should consider. Temporary withdrawal (sometimes referred to as a suspension of study) may be granted where a student requires a break from their studies for specific reasons (most commonly due to ill health, maternity leave or financial difficulties). In the first instance you should discuss this with your personal tutor or other relevant members of staff in your department. For further information, please see: go.warwick.ac.uk/studentrecords or go.warwick.ac.uk/graduateschool

Accommodation

If you are living in University campus accommodation, any refund in rent will be calculated from the date of your withdrawal or the date you vacate your accommodation and return your room keys, whichever is the later. University off-campus accommodation contracts require a replacement to be found before you can be released from your contract. If you have any questions about your departure from your accommodation, please contact Warwick Accommodation either by going to Rootes Reception, or on +44 (0) 24 7652 3772, or by email to accommodation@warwick.ac.uk

Finance

Student Finance will calculate any fees that you are owed using the last date of attendance given on this form. Students who withdraw after an advance maintenance payment has been made will be asked to repay any funds no longer due. You can call Student Finance on +44 (0)24 7652 8103 or +44 (0)24 7652 3872. You can find further information at: go.warwick.ac.uk/studentfinance

Council Tax

If you withdraw from your studies, you are strongly advised to contact the relevant local authority's Council Tax office for guidance regarding Council Tax. Please also note that if the local authority determines that you must now pay Council Tax you may be eligible for a discount if all other residents do have student exemption. You must make those you share with aware of this change to your status as it may also affect any student disregard they have applied for.

International students

If you require student entry clearance or leave to remain (a ‘visa’) to study in the UK, permanent withdrawal from your course is likely to affect your permission to remain here in the UK. Furthermore, if you are a sponsored student, i.e. you were issued with a CAS by Warwick that you used to obtain your Tier 4 visa, and you decide to stop studying, the University is required to stop sponsoring you. We are required to withdraw your CAS, and report your permanent withdrawal from your course to the UKBA. As you would no longer have a valid Tier 4 sponsor, you would then be required to leave the UK. In order to return to the UK to resume your studies, you would need to apply to us for a new CAS in order to apply for a new Tier 4 visa. If you were to try to return to the UK on your old visa, you would be likely to encounter problems on re-entry. If you are intending to switch to another Tier 4 institution within the UK, you must inform the University so that we can let the UKBA know that you intend to continue studying elsewhere. Switching to another Tier 4 institution may mean that you are not required to leave the UK once you have withdrawn from Warwick and this is something that you should discuss with an immigration adviser at the University.

All international students who wish to withdraw permanently from their course are strongly advised to make an appointment to discuss their individual situation with the University’s Immigration Service advisers: +44 (0)24 7657 5229 or immigrationservice@warwick.ac.uk.

Centre for Student Careers and Skills

Students withdrawing before the completion of their course are entitled to use the Centre for Student Careers and Skills for three months from their formal date of withdrawal from the University. For further advice, please contact by phone: +44 (0)24 7652 4748 or by email on careers@warwick.ac.uk
