External Examiners for postgraduate degrees are required to submit an annual written report and are required to make a more detailed written report at the end of their period of office.

The Report will remain confidential to the University. It is sent to the University’s Vice-Chancellor for the purposes of circulation to the Department concerned for a formal response and consideration by the University’s Board of Graduate Studies which is responsible for postgraduate examinations matters. It will also be copied to the Chairs of the Boards of Examiners and will be made available on request to an incoming External Examiner. In line with Warwick’s normal quality assurance and enhancement policies and processes the report will be discussed at a departmental meeting (or equivalent) and at Student Staff Liaison Committees. Copies may also be provided to external bodies which request them and which have a legitimate concern (e.g. professional accreditation bodies), unless you indicate that you do not wish this to be done. We cannot guarantee that the contents of your report would not be released if requested under the Freedom of Information Act. External Examiners may, if they wish, submit a further report in confidence to the Vice-Chancellor for the Senate, on any matter relating to the degree or its examinations.

Reports should be submitted electronically as Microsoft Word files to Jo Latimer, Examinations Office, University of Warwick, e-mail J.Latimer@warwick.ac.uk for publication purposes, and if for any reason it proves impossible to submit electronically, a hard copy with ink signature, sent to Jo Latimer in the Academic Office, University House, University of Warwick, Coventry, CV4 8UW.
