YOUR EXPERIENCE CAN SHAPE EVERYONE ELSE'S

By taking part in the National Student Survey, you'll be helping to shape the future for prospective students.

Every year this nationally recognised, independent survey asks final year undergraduate students to reflect on their course experience measuring everything from teaching quality and learning opportunities to academic support, resources and overall satisfaction.

This is your opportunity to give your honest feedback on your student experience at Warwick. By spending just around 10 minutes completing the online questions, you'll be helping prospective students to make a more informed choice.

YOUR QUICK THOUGHTS CAN LEAVE A LASTING IMPRESSION

THE RESULTS ARE CLEAR

We use the results from the survey to shape the future student learning experience. To see the results for yourself, simply log onto the Unistats website.

Complete the National Student Survey by 30th April 2018 and we'll give you a £5 credit on your Eating at Warwick card as a little thank you.
