Maraba, Rwanda
Maraba is the umbrella co-operative that oversees and manages the activities of four coffee stations growing ‘Red Bourbon’ which is highly noted for a natural, sweet fruity flavour attribute and rich silky body.
The co-operative has 1372 members of which 768 are male and 518 female with each farmer having an average of 435 trees.
The income the co-operative earns from growing coffee is used to pay for medical insurance for two family members; which Rwandese are obligated to have, school fees and a ‘Tele-Center’ giving villagers access to information technology.

Canapés
5 working days’ notice required.

The minimum order required for all items is 12 people.

Ensure a good mix of meat, fish and vegetarian.

Consider the mix of canapés and those with pastry, bread content and strong tastes.

Consider the length of time of your event. The average canapé reception would last for a maximum of 1 hour. Any longer than this, you may wish to increase your portion size from 5 per person.

When hot canapés are requested, the team will need a service area in the location and lift access for the hot cupboard. Ideally this space would not be in view of guests because final presentation of hot canapés is completed on site.

A power supply is required for the hot cupboard.

All canapés will be presented with 1 type of canapé per flat except when the event is for numbers less than 30. In this instance flats will be mixed though vegetarian items will be kept separate from meat and fish.

Staffing
If you would like your event staffed we require 7 working days’ notice, please call to discuss your requirements and plans or for a quote. Note, certain locations on campus such as the Arts Centre must be staffed.

To give you an idea on cost, where you have 50 guests or less we would recommend a minimum of one member of staff at a cost of £50.00. This allows for approximately 3 hours of cover and includes set up, service and clear down subject to the area being available.

Based on your plans, should it be necessary an additional hour per member of staff would cost £15.00.

Corkage from £2.50
Where agreed in advance you are welcome to supply your own alcoholic drinks purchased from Rootes Grocery Store. This is based on a set price for everyone attending and includes glassware, set up, clearance and recycling.

Please refer to the University Alcohol policy on our website, when considering this option: http://www2.warwick.ac.uk/services/foodanddrink/faqs/alcoholpolicy/

Glass hire (only) per glass £0.50
Includes delivery, collection and washing of glasses.
Does not cover removal and recycling of empty bottles.

Event numbers
Consideration should be given regarding the total number of guests booked to attend your event. Where the number of guests booked to attend differ considerably from the number of guests actually attending the event, additional charges may be incurred to cover staffing costs.
