How do I set up an EndNote Online account?

1. Go to the website Endnote Online and click the Access Endnote Online button on the right hand side of the page

2. Sign in with your Warwick username and password, if you are not already logged in on your browser, and you'll be taken to the Endnote Online sign in page

3. Click on the Create an account link above the e-mail box

4. Type in the email address you wish to register your account with (this can be your Warwick email address or a personal one)

5. Complete the registration form and choose a password. Note: your password has to be at least 8 characters long, it must contain at least 1 letter, 1 number and 1 symbol. Refer to the Password Guidelines box on the registration page for help

6. Click the Submit Registration button

7. You can now use this same username and password to access EndNote Online
