**What’s the difference between an On Campus Club and an Off Campus Club?**

Any club that has training sessions within any of Warwick Sport’s facilities is classed as an **On Campus Club**. In order to join them, Silver, Gold or Platinum Warwick Sport Membership is required which will give you access to all club training sessions, matches and competitions.

Any club that does not use Warwick Sport facilities is classed as an **Off Campus Club**. Individuals who only join Off Campus Clubs do not need to buy a Warwick Sport Membership to take part in club training sessions, matches and competitions off campus. Instead, a £26 “Off Campus Clubs Membership” is required to join, which will cover insurance, club support, free or subsidised access to BUCS competitions and club grants.
