## How to Join Clubs

To join an On Campus Club or a mixture of On Campus and Off Campus Clubs, you have to purchase either Silver, Gold or Platinum Membership from Warwick Sport. Additionally, you pay the Students' Union an annual £32 Sports Federation Fee and £6 for each club you join, both of which can be done here: [warwick.ac.uk/sports/clubs](http://warwick.ac.uk/sports/clubs)

If you intend to join Off Campus Clubs only, the process differs. Instead of purchasing a Warwick Sport Membership, you pay the Students' Union an annual £26 "Off Campus Clubs Membership Fee" as well as the £32 Sports Federation Fee and £6 for each Off Campus Club you join.

### What's the difference between an On Campus Club and an Off Campus Club?

Any club that has training sessions within any of Warwick Sport's facilities is classed as an **On Campus Club**. In order to join them, Silver, Gold or Platinum Warwick Sport Membership is required which will give you access to all club training sessions, matches and competitions.

Any club that does not use Warwick Sport facilities is classed as an **Off Campus Club**. Individuals who only join Off Campus Clubs do not need to buy a Warwick Sport Membership to take part in club training sessions, matches and competitions off campus. Instead, a £26 "Off Campus Clubs Membership" is required to join, which will cover insurance, club support, free or subsidised access to BUCS competitions and club grants.
