BRP Collection from the Post Office

Where do I collect my BRP from?
The letter from the Home Office you receive confirming your visa has been granted should confirm which Post Office and when you should collect your card.

If you are a student on the pre-sessional English course, the Centre for Applied Linguistics will arrange a coach to take you to the Post Office in Coventry to collect your BRP within the first week of your course. They will give you details of this.

In all other cases, you will be required to make your own arrangements to collect your BRP within 10 days of arriving in the UK.

Please find below the details of the Post Offices closest to campus where you may need to go. If you are required to go to a Post Office elsewhere you will need to find these details yourself referring to the information provided in your Home Office letter.
