PATHWAYS TO BANKING

- Pathways to Banking aims to level the playing field, providing students from state schools with the experience and connections which will help you make a more informed decision about your university and career choices.
- You will attend a range of events over 2 years to explore the variety of university courses and career opportunities within business and financial services. You can then make informed decisions about what you want for your future.

Did you know that 34% of those who just started work within the financial services sector and 51% of leaders went to independent rather than state schools?

What is involved?
- University taster days with lectures from Warwick’s leading academics
- Meet and hear from those working within different areas of financial services
- Tailored support with UCAS applications and Personal Statements
- Meet and speak to current students and academic staff
- A residential summer school living on campus to give you a real taste of university life
- 1:1 e-mentoring from current university students
- Day at Deutsche Bank in Year 12
- Opportunity to apply for work experience in an investment bank in Year 13

How much does it cost?
There are no costs involved to participate in this programme. We reimburse parents/guardians/carers for costs relating to your attendance at Pathways to Banking events.

How can I get involved in Pathways to Banking?
