Event 1: A level Revision Bootcamp, 11 – 13 April 2017

The University of Warwick Widening Participation and Outreach team are planning an intensive revision bootcamp for A level pupils, for which we are looking to recruit PGCE trainee teachers to support experienced subject leads during this event.

This is a voluntary opportunity, but a fantastic chance to gain experience working with A Level students in the lead up to their exams.

What we are looking for
PGCE Students (Biology, Chemistry, English Literature, History, Maths, Psychology)

Event Background
The A Level Bootcamp event is targeted at Year 13 participants, either from our post-16 programmes (Realising Opportunities, Pathways to Law, UniTracks or attended a Summer School) or from a school in Coventry or Warwickshire. The A Level Bootcamp is a non-residential event and participants will focus on one subject throughout the three days. During the event, there will be a mixture of subject-intensive revision sessions and workshops focussing on exam technique/approach to exams etc.

Academic Criteria
- Predicted to achieve A* to C in selected subject
- Potential to progress to Higher Education

Social Criteria
Students must also meet at least one of the following Widening Participation criteria:
- First in their immediate family to go to university (excluding siblings)
- From an area in which there is traditionally low participation in Higher Education
- In receipt of, or has within the last six years been eligible for, free school meals
- In receipt of or entitled to Pupil Premium
- Parents/Guardians/Carers in non-professional occupations
- Other circumstances affecting study, e.g. looked after care, disability affecting study
