Who we are and what we do?
UNIMAS is an exciting young university located at the heart of Borneo. It was established 25 years ago and currently offers 43 undergraduate programmes and 41 graduate programmes for both local and international students. The campus is built on a 42 hectare land - the view is spectacular and its campus life is fun and inspiring. UNIMAS welcomes local and international community to reap the benefits of its rich academic tradition, internationally qualified faculty, and a vast pool of physical and natural resources available for teaching and learning.

The UNIMAS International Summer Programme 2017 aims to create a platform for you to experience learning at the heart of the oldest and richest tropical rainforest in the World. Sarawak has a unique array of flora and fauna and indigenous communities who are still living in time-honoured traditions.
