LETS TAKE A BREAK
Enrolment and Getting Started
Enrolling at Warwick

• If you haven’t done this already, complete your online course registration at: http://www2.warwick.ac.uk/services/academicoffice/ourservices/enrolment/

• Your visa and passport details should be verified before your arrival and you should receive an email confirming when this has been done and your details verified. You will need to attend an in-person event to complete your enrolment.

• Student ID cards can be collected at the same time you collect your room key (if living in University accommodation) or from Student Reception on the ground floor of Senate House. Further details can be found at: http://www2.warwick.ac.uk/services/academicoffice/ourservices/enrolment/cardcollection/
In-person immigration events

- Students who require a visa to study at Warwick **must** attend an in-person event to complete their enrolment.

- You must bring the following to the in-person event:
  - Original passport
  - Original visa (temporary travel visa and BRP if you already have this)
  - Home Office decision letter (if received)

- If you have a Biometric Residence Permit (BRP) being sent to the University and you have received an email confirming we have received it you will be able to collect this at the in-person event.

- Dates for the in-person immigration events may be found at: [http://www2.warwick.ac.uk/services/academicoffice/ourservices/enrolment/immigrationevents/](http://www2.warwick.ac.uk/services/academicoffice/ourservices/enrolment/immigrationevents/)
Meeting your Departments

• Your academic base department will want to meet you as soon as possible – there are timetables for these meetings around the atrium

- Written essay and reports
- Research assignments
- Projects
- Case study analysis
- Group work
- Class test, quiz
- Presentations
- Exams
- Working through problem sets
How Will You Learn?

Different for each course/department
• Lectures
• Seminars/Tutorials
• Hands on laboratory sessions (some courses)
• Research (some courses)

Per week approximate (Guideline, will vary per department)
• 9-20 hours lecture and contact time with academics
• 10 hours laboratory classes
• 5-30 hours of private study
How Will You Be Assessed?

• Written essay and reports
• Research assignments
• Projects
• Case study analysis
• Class test, quiz
• Presentations
• Group Work
• Portfolios
• Performances
• Lab Work
Part-Year Module Selection

Part Year Students

http://www2.warwick.ac.uk/study/studyabroad/inbound/modules/partyearstudents-examinationmethods/

Study Abroad

The Part-Year Module Handbook contains the approved methods of examination and assessment for Study Abroad students who are on placement at the University of Warwick for part of the academic year only. If you are a full academic year Study Abroad Student you must follow standard methods of examination and assessment as your base department will be able to assist with this. Currently this page shows the part-year module handbook for the 2019/20 academic year:

- The methods listed in the handbook have been formally approved by University Committee and must be selected in order to receive academic credit for your studies at Warwick.
- You are not permitted to make informal arrangements with module tutors.
- Failure to select an approved method of examination or assessment will result in a zero mark on the transcript provided at the end of your placement here at Warwick.
- The most common examination or assessment method for part-year students not present during the Summer examinations period is ‘WA’ (written assessment)
- If you will be present during the Summer Examinations period, please select the appropriate alternative method as selecting ‘WA will result in you not being allocated a seat in the examination hall.
- When you have identified the appropriate examination method from this Handbook, you will be required to register there is e-46.
- Full details about how to register your modules will be given at the Mandatory Study Abroad Welcome Meeting.
- If you would like to take modules in the department of English & Comparative Literature Studies, please attach a short essay (250 words) detailing your previous experience of studying literature in English and why you wish to undertake English modules at Honours level. Please ensure that this essay focuses on what you have previously studied, rather than generalised statements about your enjoyment of literature.
- Please note that Study Abroad students will not be able to re-sit any examinations.

The Hollywood Cinema
Silent Cinema
National Cinema 1

None of the modules can be taken as a spring only or spring and summer option. The Hollywood Cinema, Silent Cinema and National Cinema 1 require a background in Film Studies and are only available following discussion with and approval of the Department of Film and Television Studies. Silent Cinema and National Cinema are only available at 30 CATS.
Module Selection

• Module registration is an academic matter. Your departmental Study Abroad co-ordinator or undergraduate office staff will help you with this.

• Most departments have a registration process for their modules. You must follow this process to ensure that you are on listings for lectures and included in seminar groups.

• Registering for the correct method of assessment is as important as registering for the module itself.

For information 1 Warwick CATS credit = 0.5 ECTS

A standard full year module is generally 30 CATS = 15 ECTS
• University of Warwick’s online module registration system
• Allows the exams team to register you for examinations
• Updates the University of Warwick student records system to record your marks, so that your transcript can be produced

Deadline date 21 October 2016

Any changes that need to be made after the deadline date will require the authorisation of the Pro-Vice Chancellor for Education (Quality Standards). This will only be given in exceptional circumstances.
There will be several options for assessment methods, incorrect selection could result in a **ZERO** mark on your HEAR or no seat in an examinations hall.

INFORMATION AND COMMUNICATION

Warwick Study Abroad

Inbound students
The University of Warwick provides the very best in education, facilities and support to our students studying a wide range of undergraduate degrees.
Why Choose Warwick?

Departments and Modules
Study in Arts, Science and Social Sciences. Warwick welcomes applications from visiting students in any of the academic departments, although there may be restrictions on module availability.

Outbound students
Whether your course at Warwick includes a mandatory year abroad, or if you are considering doing an intercalated year to experience studying at an overseas institution, you will find some exciting study opportunities.

Studying overseas can add immeasurably to your personal development, future study and career opportunities. Your department will advise what opportunities there are for you already on the course and what arrangements they have with other universities.
