Packing Tips

Here are a few tips on what you should and shouldn’t bring. For those of you joining us from overseas, there is further information in the *International Guide*.

Please see the [Warwick Accommodation website](#) for details of what is provided in our halls of residence and off campus property.

**Bed linen**

If you will be living on campus, a bed sheet, duvet, duvet cover, pillow and pillowcase are provided for you but you are welcome to bring your own bed linen and duvet if you prefer. Please note that you will need to supply all bedding if you are living off campus.

**Kitchen items**

As a guide, you might like to bring the following:

- Cutlery (knives, forks, spoons)
- Crockery (plates, mugs, bowls)
- Pots and pans (wok, saucepan)
- Washing-up liquid and dishcloths
- Tin opener, vegetable peeler, wooden spoon
- Tea towels

If you don’t wish to bring these with you, there are places to buy them either on or close to campus. The Rootes Grocery supermarket on campus stocks a selection of kitchen utensils, cutlery, crockery and glassware.

Unless you have a medical reason and permission from Warwick Accommodation, you are not allowed to use kitchen appliances in your bedroom.
