Tips on using the buses

There are three bus companies that operate buses to and from Warwick’s main campus: National Express Coventry, Stagecoach and Travel De Courcey.

Important things to bear in mind:

- If you buy a return or a day ticket from one bus company this will not be accepted on services run by the other bus companies

- If you are at a lesser-used bus-stop hold out your arm to the driver to indicate you wish him to stop, otherwise she/he may think you’re waiting for another service

- Most bus-stops will state which number buses stop there and have a noticeboard containing the current timetable

- It is National Express Coventry policy not to give change and only coins are accepted. Other bus companies may give change, but it is as well to have the correct money in advance

- If you are a regular bus user you may find it more efficient to buy a bus pass, as many students do. These are available from networkwestmidlands.com/TicketHome

- Fares usually go up every year, as a guide National Express Coventry prices are currently £2.00 for one-way and £3.90 for a day ticket

- Paper bus timetables can be obtained from the leaflet racks on the ground floor of University House
