

The Graduates & Students Group invites you to the 2010

# Bridges Technical Meeting

## Selected thoughts on the development of Suspension Bridges

**Speaker – Richard Cooke, Aecom**

Wednesday 17<sup>th</sup> November 2010, 6.30pm start

Physics Lecture Theatre, The University of Warwick,  
Coventry CV4 7AL

Richard Cooke, Director of Transportation at Aecom, will return to The University of Warwick to discuss his thoughts on the development of Suspension Bridges.

He will look at the historical advancement of these bridges in terms of span, construction types, technology, performance, operation & maintenance and the future.

Refreshments will be available outside the lecture room from 6pm.
