3 Steps to Open Access for Authors

My journal article or conference paper (published as part of a journal) has been accepted for publication and I want to make it eligible for the next REF process...

What should I do?

- ▶ Deposit the **accepted, peer-reviewed version** of your paper. This is the version that has not had any publisher copy-editing but incorporates any changes following peer-review.

When should I deposit?

- ▶ As soon as possible, but **no later than three months after the date of acceptance.**

Where should I deposit to?

- ▶ To our simple deposit form: warwick.ac.uk/irsubmit
