University of Warwick
Open Day Guide Autumn 2017

WELCOME

Today is all about giving you a genuine feel for what it is like to study and live at the University of Warwick. Explore campus, attend talks and sessions, visit teams in the exhibition, and chat to our students – they’re wearing bright yellow tops so are easy to spot! We hope you have a great day!

OUR TIPS ON MAKING THE MOST OF YOUR DAY!

1. Visit the Piazza (map 3)
   Start your day at the central Piazza, the hub of student life on campus. Here you can see our student societies perform, find lots of places to eat, and visit the Students’ Union and the Warwick Arts Centre.

2. Find your sessions
   Use the timetable (pages 8-21) to work out where you need to go for any pre-booked sessions. Most buildings are within a 10-minute walk of the Piazza, but you’ll need more time to get to any sessions in Millburn House or Life Sciences. Guided walks and shuttle buses are available (page 8).

3. Visit the Exhibition (map 6)
   A one stop shop where you can meet teams from across the University including academic departments, accommodation, admissions, sports, student wellbeing support, student societies and more! Open until 3pm – find out more on page 4.

4. Go on a tour of campus (map 4)
   Let our student ambassadors show you why they love studying here! Guided tours leave from the big yellow tent on the Piazza and run every 15 minutes until 4.30pm. Feel free to ask any questions you have to the people who know Warwick best.
5. See inside our accommodation (map 2)
Find out what it's like to live on campus by exploring four different halls of residence (open until 4.30pm). No booking is needed but they are very popular so please allow extra time for queues. Find out more on page 6.

6. Stop for a bite to eat
You’re spoilt for choice when it comes to food on campus, whether you’re looking for a quick sandwich or a cooked meal. Most cafés can be found around the central piazza, but a full list is on the back page of this guide.

7. Getting home
Ready to go? Shuttle buses back to the Park and Ride, or Coventry and Warwick Parkway train stations leave from the coach park (map 1) every 30minutes (approx) until 5pm. A campus map is at the back of this guide along with a full timetable of sessions.

Forgot to book a session?
Don’t worry, many departments are running drop in sessions where you can chat to academic colleagues and students. These are highlighted in green on the timetable (pages 8-21).

Need help or have a question?
Look out for our ambassadors in bright yellow tops or visit one of our info points where students and staff are on hand to help you get the most from your day with us. If you have an emergency please contact the nearest member of staff.

“My top tip for getting the most out of the open day is to talk to as many students as possible! Go on a campus tour to get your bearings and ask your guide plenty of questions; that was how I realised I wanted to come to Warwick!”
- Beth, Maths and Physics student
EXHIBITION

9am – 3pm Panorama Room, Rootes Building

Drop in at the exhibition to find out more from staff and students about the variety of societies, teams and departments that all contribute to the student experience at Warwick.

ACADEMIC DEPARTMENTS
Chemistry: Find out about the department and take a moment to talk to an academic member of staff and a student.

Centre for Applied Linguistics: The Centre for Applied Linguistics (CAL) is internationally renowned for its research and teaching in Applied Linguistics, including English language teaching and intercultural communication.

Department of Economics: Student representatives from the Department of Economics, Economics Society and Economics Summit will be available to answer your questions.

History of Art: History of Art is a dynamic international department that offers courses in the history of western art from the medieval period to the present day.

Language Centre/SMLC: Discover the opportunities for extra-curricular language modules that are available to all students, including Arabic, German, Japanese, Russian and many more.

Politics and International Studies: Speak to our current students about studying Politics at Warwick.

School of Engineering: The School of Engineering offers
flexible degree programmes that enable you to experience a range of different engineering disciplines before you decide to specialise.

Warwick Business School: WBS is one of the most prestigious business schools in Europe.

SOCIETIES
With over 250 student run societies at Warwick catering for all sorts of interests, there’s bound to be something for you. Today we’re joined by just a few that’ll be happy to chat with you about what they do and how you might get involved.

Model United Nations Society: Model United Nation debating simulates the functioning of the real United Nations bodies and committees.

Public Speaking Society: The Public Speaking Society offers opportunities to practice speaking in a welcoming and social atmosphere.

WAMB (Warwick Association of Master Builders)*: The Warwick Association of Master Builders aims to create masterful works of art and construction, using the Lego brick as a medium.

Warwick Comedy*: A fun, active and creative group that provides all members the opportunity to write and perform comedy.

Warwick Enable: Warwick Enable is the society for disabled students, their friends, allies, enablers and carers at the University.

Warwick Finance Societies: Every student interested in
pursuing a career in finance or commercial law can get involved with Warwick Finance Societies.

Warwick Glee*: Warwick Glee is a performance society full of harmonising voices, performance opportunities, and friendly faces.

Warwick’s Hip Hop Dance Society: EQHO: Warwick Hip Hop Dance: EQHO runs open classes for all abilities using their own choreography, bringing individual style and vibes to each class.

Warwick Labour and Cooperative Society*: Warwick Labour is the progressive home of the Labour Party and all like-minded people on campus.

Warwick Literature Society: Warwick Literature Society promotes the enjoyment and appreciation of literature in the university community regardless of degree course.

Warwick Student Cinema: From Hollywood blockbusters to independent movies, Warwick Student Cinema show films that cater for all tastes.

Women for Women International Warwick*: A student chapter that represents the Women for Women International (WfWI) charity foundation at Warwick.

STUDENT LIFE
Accommodation: Find out more about living on campus or in the local area.

Admissions: Pick up a prospectus and get advice on applying to Warwick.

Disability Services: Speak to the team about the services the
University offers, including accessible accommodation, one to one support and special exam arrangements.

Go Global*: Go Global is our initiative that helps you expand your international experiences at Warwick and beyond.

Student Careers & Skills: Learn about the different services, events and resources we offer to help you think about your future and improve your skills.

Student Funding: Advice on student finance, scholarships and bursaries and budgeting for university.

Study Abroad: Find out more about the opportunities to study overseas, either as a mandatory part of your course or an intercalated year.

Unitemps: Unitemps provides temporary jobs and work opportunities on campus and in local commercial businesses.

Warwick Sport: Warwick Sport provides excellent sporting facilities, sports coaching, lessons, clubs and free and inclusive activity programmes.

Warwick Students’ Union: Your Students’ Union will be a big part of your life here at Warwick, providing access to a huge range of services, sports clubs and societies.

Wellbeing Support Services: Wellbeing Support Services includes the Mental Health and Wellbeing Team, Disability Services, the University Counselling Service and Student Support.

Exhibitors marked with * will be featured in October only. Exhibitors listed are accurate at the time of print.
ACCOMMODATION

Head to the accommodation area (shown in red on the map) and our student ambassadors will be on hand to guide you around some of our rooms and share their experiences of living on and off campus.

We offer a range of halls to choose from and four are open to view today. We recommend viewing a couple of the halls with different weekly rents and also a shared and en suite bathroom option so you can see the breadth of accommodation we offer here on campus.

ARTHUR VICK
- En suite bathrooms
- 34 week let
- Up to 14 students per kitchen
- £160 per week for 2017/2018
- Courtyards and gardens
- Close to the Sports Centre

BLUEBELL
- En suite bathrooms
- 39 week let
- Up to 8 students per kitchen
- £176 per week in 2017/2018
- Close to the Students’ Union and Rootes grocery store

JACK MARTIN
- En suite bathrooms
- 34 week let
- Up to 13 students per kitchen
- £157 per week for 2017/2018
- Close to the Oculus building

ROOTES
- Shared bathrooms
- 39 week let
- Up to 19 students per kitchen
- £98 per week for 2017/2018
- Close to the Students’ Union and Rootes grocery store

LOCAL LIFE
EXPLORE, EXPERIENCE, INDULGE

Our campus is perfectly positioned to enjoy the nearby towns, cities and countryside that make it an exciting and diverse place to live.

We have excellent transport links to Coventry city centre and Leamington Spa where most of our students live after their first year – don’t just take it from us, see what our students think!

“In Coventry you have the entire city centre with its High Street stores, shopping centres, cinema, clubs, IKEA (which I love), restaurants and the usual cool things you’d find in a city, and it’s super close to the Uni.” - Amreet, Psychology student

“For nights out beyond campus, it is only a short bus or taxi ride into Coventry or Leamington, both of which have some good clubs. Kasbah in Coventry and Smack in Leamington are most people's favourites but there are plenty more to try out.”
- Kristie, History of Art student

“I live in Leamington Spa in my second year and absolutely love the beautiful area! There are so many shops, tea rooms and parks to enjoy for some well-earned breaks! Coventry and Birmingham are also very near when I want to indulge in a shopping spree or two!”
- Alexandra, English and Comparative Literary Studies student

“One of my favourite things about living in Leamington is having
all the shops, restaurants and green spaces right on my doorstep. If you don’t want to go shopping, Jephson Gardens is really nice, and it also has a lovely café in the centre. We also have plenty of bars and a couple of clubs within walking distance, which is handy for most night outs.”
- Beth, Maths and Physics student

TOURS, SHUTTLE BUSES AND GUIDED WALKS

Entry to pre-booked sessions requires confirmation of your online booking. To enable as many prospective students to attend these sessions as possible, we limit entry to one prospective student and one guest. Additional guests may be allowed entry subject to availability.

“I’ve had so many wonderful opportunities at Warwick such as being on the Student radio, and there is always so much to get involved with. I lived in Westwood during my first year and I loved it. My flatmates were all lovely and the halls experience
was a lot of fun, especially learning how to cook.” Iona, English Literature student

“I love Warwick for so many reasons... for it’s diversity; I’ve met so many interesting people from different backgrounds, for it’s societies; there is an extra-curricular opportunity for everyone, and for the high quality teaching; ... what more could you want?!” - Beth,
Maths and Physics student

EAT DRINK SHOP

ROOTES BUILDING
Costa
8am - 6:30pm
High street coffee chain serving coffee, speciality drinks, cakes, sandwiches and panini.

Fusion
12 midday - 9pm
